

CGA Day at the Capitol!

March 20, 2012

Sacramento

Mark your calendar!

CGA's 5th annual Day at the Capitol has been scheduled for March 20, 2012. This year's Day at the Capitol is being condensed into one day starting at 8:30AM and concluding by 5PM. This is your opportunity to meet your legislators and discuss with them the impact of current legislation and regulations on the groundwater industry.

Learn about the Legislature, the legislative process, and tips for working with local, State and Federal lawmakers! And most importantly, you'll be helping your business and the groundwater industry by being a part of the CA political process!

The 2012 Day at the Capitol will begin at 8:30AM in the State Capitol with an overview of CGA's planned 2012 legislative efforts and materials to assist you in contacts with your legislators. From 10AM to 11:45AM various legislative and administration speakers will talk with CGA's attendees. Lunch break will be from 11:45AM to 1PM. Legislative meetings will be scheduled from 1PM to 4:30PM. A debriefing session will be adjourned by 5PM.

CGA suggests attendees with significant travel distances make arrangements to arrive in Sacramento on Monday, March 19th. CGA has made arrangements for a limited number of sleeping rooms at \$129/night rate + taxes. CGA will provide a \$50 room rebate for up to 10 room nights to attendees (first come, first serve) staying at the Holiday Inn Capital Plaza 916-446-0100. Reserve now!

We'd like to know how many persons are planning to attend the 2012 CGA Day at the Capitol so we can start arranging legislative meetings and confirming speakers. Would you please complete the "reservation form" below and return to CGA ASAP? Thanks in advance for your commitment to supporting your groundwater industry!
